# PERFORMANCE *Opportunities*

It is important to us that we provide as many performance opportunities as possible. It is always a great experience for the kids and a chance to show off how hard they have been working! These include auditions for Britain's Got Talent, competitions and shows at the Royal Albert Hall!

## *Panto*

Every year we successfully audition to provide the Panto Babes for QDOS. For the past few years our children have been performing at the Orchard Theatre Panto. We have also performed at The Churchill, The Stag, and many other theatres.

## *Presentations*

At the end of each term we hold presentations to show our parents what we have been getting up to in class!

## *Showcases*

We have an annual Acting Showcase as well as our Stage School Showcase!

## *School Shows*

Every other year we put on a big summer show for our junior and senior students - this is such a wonderful performance experience for everyone to see the incredible talent at Studio 74. This is treated as a professional production.

## *Once Upon a Time*

Every year we perform at The Orchard Theatre in Dartford. We create a magical fairytale number in a community showcase. Studio 74 are the lead school in this performance.

## *Disneyland Paris*

We audition to perform at Disneyland Paris every other year. It is such a fun trip and a wonderful experience for the kids!

## *Christmas Lights!*

Every year we perform in Bromley High Street at the Christmas Light Show. This is a super cute and fun Christmassy afternoon out!

## *Competitions*

Our Elite Squads compete in different dance competitions around the UK! You can see all our trophies around the school.

# Acrobatics

AT STUDIO 74

**Acrobatic classes at Studio 74 are fun and specialised lessons that teach students the art of balance, tricks and tumbling.**

**We use unique equipment to aid the children's learning of backflips, ariels and more whilst maintaining an outstanding level of safety. Students will be prepared to perform and transition their acrobatics tricks for their on stage dance numbers!**

# Studio 74 Agency

Studio 74 Management opened in 2013 and since then has gone from strength to strength, becoming a respected agency within the industry. We continue to place children and adults of all ages in West End, Film, TV, Modelling and Theatre. We represent and manage our clients whilst encouraging them to reach their dreams and help them realise their strengths and capabilities.

All our clients (with the exception of our Babies and Toddlers) have professional headshots, with some also having modelling portfolios. We also encourage our clients to have Showreels and Voicereels. We have had many children in leading West End roles such as the title character of Matilda as well as other roles in Billy Elliott, School of Rock, The Railway Children, The King and I, Cat on a Hot Tin Roof and so many more! Many of our young clients have had great success within the TV and film industry working with production companies such as the BBC, ITV, Nickelodeon, Sky, Disney, Amazon, Adidas and many more leading names.

Most of the children we represent attend our Theatre School as this allows us to see their progression and give them guidance for castings and auditions. However we also represent children across the UK and see them regularly for workshops.

If you are interested in your child being represented by Studio 74 Management, please drop us an email where we will send you our information pack and application form.
